CSS Publishing Company, 2003. Paperback. Book Condition: New. 208 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.Anyone who is (or who ever has been) 13 will identify with Leslie s struggles to make sense of her family, her faith, her own thoughts, and the world. Through her letters to God, Leslie deals with questions as big as the very nature of God and as small as why Mom gets so bent out of shape about how the bathroom towels are folded. Sandra Humphrey has done a beautiful job of not only creating a very believable character, but more importantly, of showing young readers how inextricably faith is linked to the issues of everyday life. Lynn Gilliam Associate Editor, Pockets Leslie has just turned 13 -- and she is having a very bad year. Not only is she stuck in a new school where she doesn t know anyone, but she s also stuck in a life group at her church where the leader of her small discussion group asks tough questions that she can t answer. Come along and join Leslie on her faith journey as she writes letters to God, and in the process begins to discover answers to some of her problems. Keepin It Real is sassy and sensitive. It s an honest look at a young girl s struggles -- and insights -- as she faces puberty and searches for faith. Mary Lou Carney Editor-in-chief, Guideposts for Teens Warm, witty, and real, these true-to-life prayers offer delightful windows into the heart of God and every girl who prays to him. Lois Walfrid Johnson Author, The Disappearing Stranger and the Adventures of the Northwoods series Keepin It Real will help young people all over the world love themselves and God -- and...
