Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Helen S Hamilton (illustrator). Language: English . Brand New Book ***** Print on Demand *****. The Happy Hollisters and the Merry-Go-Round Mystery (#10 in the Happy Hollisters series) Everyone is quite enthusiastic when the suggestion is made that a merry-go-round be one of the main attractions at Shoreham s Lincoln School Fair. Pete Hollister volunteers for the job, in spite of the obvious difficulties of the task. It turns out to be more difficult than was at first supposed, however, for Pete finds he is competing with a professional carnival that has recently arrived in town. Pete s job goes quite well at the start, and he is delighted when he locates two merry-go-rounds which can be used free of charge, since the fair is a charity function. Excitement runs high around the Hollister household as plans are made to get the merry-go-rounds delivered to the fairgrounds. In spite of mysterious interference, the merry-go-rounds reach their destination and the whole town turns out to set them up. It is a great disappointment therefore, when a gear for one of the machines is apparently lost. The worst is yet to come, however, for a vandal sets fire to all the booths and decorations in an attempt to destroy the whole production. A Happy Hollister story, packed full of mystery, excitement, and, of course, the fun shared with this wonderful family. First published in 1956, this charming mystery-adventure story, faithfully reproduced, is now available in paperback and eBook for the first time! Written for boys and girls between the ages of six and twelve, The Happy Hollisters are wholesome books, with an accent on humor and good, clean fun. Integrity always pays off and right wins over wrong. Parents, grandparents, and teachers...
