I feel overwhelmed by the information. Ive bought all the CBT-style videos and books, and have even beenon a course, but I dont feel ready to take the exam and I dont know if I ever will. Ive been studying for a long time now, but I havent booked the exam yet because I just dont feel ready. For every ten students who start out towards the CCNA qualification, nine quit. They dont quit because of laziness but because they becameoverwhelmed with information and didnt even know where to start. Theysat down to study from one of the big name manuals and half an hourlater found themselves staring blankly at the same page. Can you imagine how frustrating that feelsYou see, most authors throw you in at the deep end and expect you to get on with it. They forget that you have a full-time job, a longjourney back home, family commitments and any number of challenges going on in your life. The last thing you have time for is to write out adetailed study plan with plenty of review sessions. If only somebody...
