

Effective Interventions for Child Abuse and Neglect: An Evidence-based Approach to Planning and Evaluating Interventions (Paperback)

Filesize: 5.05 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

EFFECTIVE INTERVENTIONS FOR CHILD ABUSE AND NEGLECT: AN EVIDENCE-BASED APPROACH TO PLANNING AND EVALUATING INTERVENTIONS (PAPERBACK)

[DOWNLOAD](#)

John Wiley and Sons Ltd, United Kingdom, 2001. Paperback. Condition: New. New. Language: English . Brand New Book. Why are some children abused or neglected? What can be done to protect and help them? A key element of informed decision making is knowing what sort of problems are amenable to what sort of intervention, in what circumstances, and with what degree of certainty. Effective Interventions for Child Abuse and Neglect provides a thorough and detailed review of the available research, and makes suggestions as to how this evidence can be incorporated into professional child protection work. Geraldine Macdonald first considers the range of evaluative tools available, with illustrations from existing research studies and reviews, and appraises their respective merits and limitations. She then describes the interplay of a range of causal factors in abuse and neglect, and considers different types of maltreatment and their potential consequences. Evidence for effective preventative and therapeutic measures are considered next, followed by a final section on accurate assessment and the use of formal tools in risk management.
