BECOMING AMISH: A FAMILY S SEARCH FOR FAITH, COMMUNITY AND PURPOSE (PAPERBACK)**DOWNLOAD**

Dance Hall Press, LLC, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Bill and Tricia Moser were living in one of America s wealthiest communities when they stepped away and began a journey that led to a horse-and-buggy Amish life. No more BMWs. No more architectural or medical careers. Instead, the Mosers drew close with their children, built pallets for money, wore homemade clothes, and bonded with people of their Amish faith and community. Here, in *Becoming Amish*, they offer a modern couple s honest perspective on that separate and seemingly cloistered world, a perspective that is uniquely insider and outsider at the same time. The Mosers journey is rich and fascinating all on its own as we learn about the inner workings of the Amish faith, ways and culture--what their church services are like, how their businesses succeed at such a high rate, how they are so remarkably connected on a human scale (without Facebook!), how they balance technology in their lives, and more. But though the couple s decision can seem extreme, it can also serve as a mirror that helps us reflect upon our own choices, our own beliefs and values. If we were to be as intentional about our lives, how would we realign our choices big and small to achieve a fulfilling life? *Becoming Amish* rounds out the Mosers tale with interviews, vignettes, and information that adds context, perspective and insight into the Amish community. The reader learns of a startlingly violent book--published in 1660--that is central to this pacifist people s belief and is in nearly every Amish home. The reader visits a plain community in the hills of Kentucky--a community that lives even more simply than most Amish--to discuss the whys of a low-technology life and...
