Written by a teacher, for teachers, helping to engage and involve students in Shakespeare's play. Suitable for teaching ages 10-17, this book provides exercises that cover structure, listening, understanding, motivation and character as well as key words, themes and literary techniques. Although the majority of the tasks focus on the use of language and comprehension, there are also many cross-curriculum topics, covering areas within history, ICT, drama, reading, speaking, writing and art. There is an extensive Educational Links section that provides further study opportunities. Devised to encompass a broad range of skill levels, this book provides many opportunities for differentiated teaching and the tailoring of lessons to meet individual needs. It includes a CD-ROM.
