Dodo Press, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Richard Whately (1787-1863) was an English logician and theological writer. During his residence at Oxford he wrote his tract, *Historic Doubts Relative to Napoleon Bonaparte*, a clever jeu d'esprit directed against excessive scepticism as applied to the Gospel history. His lectures, *On the Use and Abuse of Party Spirit in Matters of Religion*, were published in 1822. In 1825 he published a series of *Essays on Some of the Peculiarities of the Christian Religion*, followed in 1828 by a second series *On some of the Difficulties in the Writings of St Paul*, and in 1830 by a third *On the Errors of Romanism Traced to Their Origin in Human Nature*. In 1837 he wrote his well-known handbook of *Christian Evidences*, which was translated during his lifetime into more than a dozen languages. As an opponent of Ricardian theory, Whately set out the rudiments of a subjective theory of value in his *Introductory Lectures on Political Economy* (1831).
