Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This collection of poetry is the saga of life in all of its colors - joy, sorrow, triumph, love and pain. The book is a beautiful collection of heart-touching poems, drawn from my personal experiences in life. While Mother, my ode to you , conveys how a mother continues to guide and inspire her child in every way in life s struggles, Strength lifts up the downcast spirit with life s historical triumphs and wins. Break free is about the dark vicissitudes of practical life and how the protagonist wants freedom from life s falsities and hypocrisies. Thinking of you, my love is about the love-filled thoughts kindled for the beloved while in He comes. the protagonist wonders if she really deserves the new-found love in her life and doubts her destiny which has been unkind to her earlier. Quite on the same lines of He comes. is She espies. where she doubts her waning beauty in attracting her man, preferring to languish for him in her dreams.
