Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Welcome to Naked Sayulita 2016, the Unauthorized and Compact Travel Guide! While people are busy talking about a fairy tale town called Sayulita and one free from the problems of the world, the author believed that the real truth should be told. Inside you will find the raw breakdown of the real-life nuts and bolts that make Sayulita a strange and unique vacation destination. You are not getting 100--200 useless pages of the same old shit everyone else writes about, just the reality. Things aren't always paisleys and pajamas in Sayulita as some advertise, leading to unfortunate situations that could easily have been avoided. This guide is self-funded and no one donated a peso to its creation or distribution. Sayulita has all sorts of things that the author has personally invested years to research and put in this guide. Inside you will find the truth about getting prescription meds over the counter, the reality of crime in Sayulita and some hidden truths that you will only find here. True stories, less the actual names have been entered and written to help the reader get a grasp of the raw culture in Sayulita.
