## THE WAY IT IS: REALIZING THE TRUTH ABOUT EVERYTHING

Sentient Publications. Paperback. Book Condition: new. BRAND NEW, The Way IT is: Realizing the Truth About Everything, Chuck Hillig, A very playful inquiry into the fundamental nature of reality. Using the simple word 'it' as a substitute for the many spiritual buzz words that are often used to describe God, spirit, or oneness, the author invites readers to embark on a light-hearted journey of self-discovery. One of the books in Hillig's Enlightenment Quartet, this accessible little volume does a lovely job of making the rather esoteric world of nondualism understandable to the general reader. He responds to questions such as: How can I use this philosophy in my every day life? Does free will exist? What about good and evil? Do I need to improve myself? Do I need a spiritual teacher? His answers may surprise you, and they will change how you view your life if you let them.
