Publishing Print Matters. Paperback. Book Condition: new. BRAND NEW, The Protein Crunch: Civilisation on the Brink, Jason Drew, David Lorimer, This book reveals the shocking truth of how we have abused the very ground we stand on, the water we drink and the seas that cover our planet. Water, land and sea combine to produce the food we eat. These natural resources have become critically degraded at a time when our expanding population needs them most: WE MUST ACT NOW. This accessible, mass market bestseller offers radical new explanations, arguments and solutions to the way we live and treat our planet. The book offers conditional hope for the future: and the condition is that certain actions are taken now rather than postponed. Hope without action is just a comforting illusion.
