Barca is much more than a football club - it is a social and political phenomenon. Founded in 1898, FC Barcelona is today the world s biggest football club. To unravel the background to the Barca phenomenon, Jimmy Burns has travelled with supporters, talked to people intimately linked to the club, unearthed police files and long-forgotten newspaper reports. Barca: A People s Passion is much more than a book about football - it is a story of more than a hundred years of obsessive national pride and has now been brought right up to date to include the team triumph in the 2015 UEFA Champions League.
