It is great and fantastic. Better than never, though I am quite late in starting reading this one. Your life period will likely be transformed once you comprehensively read this book.

In the aftermath of a violent incident and near-death experience, Sarah Lange is plagued by heavenly voices and dogged by a desire to return home. Frightened by her desire to terminate her existence on earth, she checks into a trauma center in Malibu, California, and meets Dr. David Sutton, an intellectual, scientist, reductionist, and someone who believes in nothing beyond his immediate experience. David's world is as divorced from mystery and magic as Sarah's is alive with and animated by it. Their sessions open up a dialogue about the separation of worlds—one easily defined and explained and one unknowable and waiting on the other side of human experience. Even as his faith in his profession fades, David struggles to bring his disturbed patient back to the real world. In a desperate effort to define herself, Sarah escapes and David must decide how far he is willing to go to save a patient, and ultimately, himself. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
