Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In this young adult thriller, Kevin loves cars and technology. When they come together simultaneously, his life begins to unravel in ways he never dreamed. With his life and reputation on the line, he is forced to make split second decisions to save what he created. Kevin meets Zach waiting in line to get the latest cell phone. Zach is a bit strange and something about him makes Kevin very nervous. Mysteriously, Zach is one step ahead of Kevin always arriving first. The new phone connects Kevin with Gina, his dream girl, who happens to be a very sexy hologram. Kevin is completely infatuated with her and will do whatever she commands. A competitive triangle develops between the three, pitting friend against foe. The ensuing conflict results in an exhilarating race to the finish. This book is designed as a quick standalone story with no cliffhanger. Use it to fill in the time on a short flight, while waiting for a colleague, or simply to relax before going to sleep. On second thought it is far too exciting to read at bedtime. ENJOY!
