Just Write Books, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Teachers and parents will enjoy sitting in the classroom with Norma Salway. Salway tells tales from school-familiar to most veteran teachers. New teachers will enjoy and learn from the stories, parents will gain an understanding of their children s school experience and others will sense and appreciate the school atmosphere in the 21st century. Salway brings her three decades of teaching to her stories. About the author: Norma Kimball Salway, parent, grandparent, graduate of the University of Southern Maine, retired from teaching in 2009. During her 34 years in education, she taught four- to seven- year-old students. Her hobbies include writing, kayaking, gardening, antiquing, and crafting. Since retirement, Salway has written three books. The first, *The Spirit of Songo*, is a collection of original poems and vintage photos about the lake near her Albany home. The second, *Touched by a Hummingbird*, written and illustrated by Salway, tells the true story of rescuing a hummingbird prior to her friend s funeral. This book comforts those grieving a loss. Salway continues to write, living in Portland, Maine, with her Maine Coon cat, Gusty.
