

Think Microsoft.NET (Paperback)

By Bart A. DePetrillo

Pearson Education (US), United States, 2001. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Think Microsoft will provide the big picture to help both developers and IT decision-makers decide whether they should explore further. It is not a how-to book and isn't code-laden. The reader will take away a deep understanding of what is and an understanding of the Framework. This knowledge will provide an orientation and give them enough information to make a sound decision on whether or not they want to use in their IT department or development future. Bart A. DePetrillo is the co-founder of Newtelligence AG, a German company specializing in application development, consulting, and training for technologies. He is also the author of technical educational materials for Microsoft and the Initiative. His company has presented at the Microsoft Technical Summit, Systems 2000 Conference, SIGS/101 Component Development 2000, and Microsoft TechEd 2000.
