Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Memorandum on Agriculture in the District of Cawnpore The following memorandum pretends to no scientific accuracy, nor is its intention to put forward any suggestions for the improve ment of agriculture in this district this being a matter to be settled by the collation of facts from every district, rather than by ex perience only over a limited area. The memorandum merely sets forth what has been ascertained by constant enquiry, checked by experiment, during the progress of settlement, and is based on results carefully tabulated and analyzed. The system to which these results are due was instituted by Mr. Buck when settlement officer of this district, and carried on by me on his transfer to the office he now holds. I am greatly indebted to him for the privilege of using the statistics he has collected and tabulated, and for his kindness in giving the benefit of careful supervision to these roughly-strung-together notes.
