

The Avocado: Its Insect Enemies and How to Combat Them: Farmers Bulletin 1261 (Paperback)

By U S Dept of Agriculture

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This special edition of The Avocado: Its Insect Enemies and How to Combat Them was written by the USDA, and first published in 1922. It is also known as Farmers Bulletin 1261. The book features three main sections - All Varieties of Avocado Subject to Insect Attack, Injurious Insects of the Avocado in Florida, and Foreign Insect Enemies of the Avocado. The book is geared toward growing Avocados in Florida. Some of the insect pests discussed are Dictyospermum, Avocado White Fly, Blossom Anomala, Avocado Lace-Bug, and Avocado Red Spider, among others. A super-short, fast read and an essential old book on dealing with potential insect infestation of your Avocado crop. **IMPORTANT NOTE - Please read BEFORE buying! THIS BOOK IS A REPRINT. IT IS NOT AN ORIGINAL COPY.** This book is a reprint edition and is a perfect facsimile of the original book. It is not set in a modern typeface and has not been digitally enhanced. Reviews

It in one of the most popular publication. It really is written in easy words and not difficult to understand. You are going to like how the author write this book.

-- Prof. Evans Balistreri DDS

Completely essential go through book. This is for all who state there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Lydia Legros
