# Business Process Management Capabilities: A Scientific Edition

By Dr Janne Ohtonen

Publications of Turku School of Economics, Series a, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.This thesis focuses on analysing Business Process Management (BPM) Capabilities (BPMC) through a practical approach based on design science. The research questions are (i) which capability factors are related to the success and failure of BPM initiatives and (ii) how can organisations take these capability factors into account in their respective environments. This research started from the personal interest of the researcher on BPM. The researcher has been working between the academic and practical worlds over time and knew that although there is a lot of research on the success and failure factors of BPM, that information has not been put to good use in the practical world. This led to an idea to gather the most important factors and to design a practical BPM capability factors artifact. This artifact helps organisations to identify and improve their BPMCs. The artifact is built based on an extensive literature review, expert interviews and case studies. The artifact consists of 35 key capability factors that affect the success and failure of BPM initiatives. It...
