Filesize: 1.43 MB

Reviews

This publication is very gripping and intriguing. It is among the most awesome book we have go through. You can expect to like how the author compose this book.

(Dr. Malika Bechtelar II)

FASHION MAKERS FASHION SHAPERS: THE ESSENTIAL GUIDE TO FASHION BY THOSE IN THE KNOW (PAPERBACK)

Thames Hudson Ltd, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. This title includes in-depth interviews with Fashion Makers, from famous designers, founders of fashion labels to key figures that unveil the process that creates an alluring design, collection and brand. With illustrations that offer a fashion feast, we discover why handcraft is so important to Dries Van Noten, why Luella Bartley loves mixing rebellion with traditional English style and why the founder of A.P.C., Jean Touitou, doesn't make bags for bitches. But it's not just the designers or founders of labels who make or break a brand. The Fashion Shapers editors, stylists, buyers, PR specialists, trend forecasters and educators reveal their own distinctive roles. What is the editor of British Vogue, Alexandra Shulman, looking for when scouting for emerging talent? How does Jane Rapley, head of Central Saint Martins, decide who will make the next McQueen? Where does Alexandre de Betak get inspiration for the spectacular fashion shows he creates for John Galliano, Hussein Chalayan and Victorias Secret? How does Catriona Macnab, head of trends at WGSN, work out what everyone will want to wear next year? And what exactly is the secret to making a fashion label a global success? This book will be a must-have for every fashion student, every fashion professional and everyone who wants to know what makes fashion function.
