By Joseph P Kenney

Booksurge Publishing, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Intense, dramatic, and unerring, Triumph Through Trial: The Untold Story Behind the Canonization of Sister Maria Faustina Kowalska by new author Joe Kenney proves to be an engaging and incomparable tale of strength, character and faith. Based on a true story, this biography weaves firsthand accounts with journal entries and anecdotes, intimately blending stories of the Kulhan Family, the canonization of Saint Faustina, the miraculous healing of Father Ronald Pytel, and the message of God s Divine Mercy. Each separate account is synchronized in a touching story of love, faith, and determination. Written in a plainspoken and easily read prose, the narrative is contemplative and at times surreal. Ultimately, an encouraging and epic tale to inspire others who struggle against seemingly hopeless odds-this story believes in miracles, in fact, it relies on them. Here is proof that God continues to shape the Universe with a tender hand.
