

## The Vo-Tech Track to Success in Manufacturing, Mechanics, and Automotive Care (Hardback)

By Joe Craig

Rosen Publishing Group, 2014. Hardback. Condition: New. Language: English . Brand New Book. Many students are coming to realize that traditional four-year colleges do not necessarily lead to gainful employment after graduation and, therefore, do not always make good financial sense. Vocational and technical education, on the other hand, provides practical skills training, real-world experience, professional certification and contacts, and a direct pathway to jobs and careers. Readers are introduced to the exciting and enriching learning opportunities afforded by vo-tech and CTE programs at the high school and postsecondary levels in manufacturing, mechanics, and automotive care. Areas of specialization, certifications, job descriptions, career pathways, resume and interviewing skills, and career-building techniques and strategies are all emphasized.
