## THINK AND GROW YOUNG: POWERFUL STEPS TO CREATE A LIFE OF JOY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Why Ellen Wood s Anti-Aging Program Is Unique Spend two minutes in Ellen s company and you ll feel her joie de vivre and marvel at her youthfulness. That s because Ellen is living proof that her Think and Grow Young program works! PLEASE NOTE THAT THIS IS THE NEW TITLE FOR THE SECRET METHOD FOR GROWING YOUNGER. Born on November 18, 1936, Ellen wasn t always like this. After watching her mother waste away with Alzheimer s, Ellen found herself starting on the same path of progressive deterioration. Then in 2004 she woke up and began a daily practice using the methods in this book. She has since added others which she shares in her blog on // Ellen s anti-aging program combines knowledge from leading edge science - including neuroscience and epigenetics - with practices used for centuries to quiet the mind and empower the spirit. Even though Ellen has the dreaded Alzheimer s gene, she knows the mind can turn genes on and off and her daily practices are intended to keep that gene from becoming expressed. In this way she is an effective role model for Baby Boomers who are taking care of parents with dementia and worrying that the same thing might happen to them. Another reason Ellen s program is unique? For her, Growing Young is not a destination. It s not a promise of youthfulness someday in the future. Her program is a journey from the inside out that infuses each day with joy. It s about releasing stress, the number one aging factor, and having inner peace - not by cutting out the noise of life or the challenge of relationships...
