Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is a Primer, an introduction of the quintessential basics. Something that a person who has not attended my seminars could read quickly, and immediately familiarize themselves with the core concepts, imaging, channel methods, have a few go-to points, and immediately apply the magic of Master Tung s Acupuncture in the clinic. It is not exhaustive in theory, details, or intricacies, but shows the power of the system to a TCM trained acupuncturist and immediately benefit by it. When I first started working with Master Tung s Acupuncture in acupuncture school, I read the available books of that time and wished there was a simple book to present the information. Since the average acupuncturist already is familiar with over 400 points, why scrap that and begin another system? But in the way I wrote this Primer, they can simply add to the information they have and then immediately apply this in the clinic. There are many books on Master Tung s Acupuncture, but often these books may be too much for the beginner and do not let the beginner grasp useful concepts or how to use Master Tung s Acupuncture. But don t underestimate the power of the content of this book. It will certainly transform your practice. The idea of this book is to give you a simple and elegant rationale for using the system., use the powerful 14 Channel acupuncture you are already familiar with, and make use of the Master Tung system immediately.
