Essential Oils Deodorants: 25 Homemade Organic Deodorants That Won't Harm Your Health And Make You Feel Fresh All Day Long You may already have heard that commercial deodorants could be harmful to human health. The truth is the research is not yet conclusive; it is impossible to say for certain at this stage. However, until the research is conclusive it is possible to avoid using these commercial deodorants and create your own ones. Deodorant can be made quickly and easily at home and works as effectively as commercial deodorant. You will need to look at the huge variety of essential oils which is available to decide which is the most appropriate for you. They do not just have different aromas! Some of the oils also offer a range of health benefits which can make them invaluable. For the majority of people deodorant is an essential item. Whilst there are a few lucky people who do not seem to ever smell, the majority of humans sweat. The sweat attracts bacteria which feed on your sweat and it is these bacteria which...
