Dog Ear Publishing, United States, 2014. Paperback. Book Condition: New. 2nd. 277 x 208 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Concise Review for the PTCB Exam is a comprehensive approach to preparing for the pharmacy technician certification exam. It does not try to cover every aspect about the field of pharmacy. Rather, it targets the information that is relevant to the certification exam. The text includes drug information, test-taking strategies, examples and practice questions that will prepare a student to pass the test the first time.

Instruction in all test areas: math, law, hospital, drug information. Contains strategies you MUST know to ace the exam. Over 750 practice questions that will familiarize you with the PTCB format and help you master the techniques taught. Detailed answer explanations that will help you avoid making the same mistake twice. Pharmacy calculations are completely worked out so that all math problems on the exam can be easily understood and solved. Gives unique ways to learn many of the drugs that will be on the exam. Includes three practice PTCB tests. All of these questions are similar to those that you will see on the actual PTCB exam. Covers...
