We all face challengescomplex decisions, difficult personalities, constant demands on our timebut we don t have to be at their mercy. By developing the skills outlined in this book, which create what author Kamal Sarma calls mental resilience, we become able to meet these challenges with clarity. Both warriors and monks have for centuries made training their minds, developing mental resilience, a key priority. Through this training, they are able to silence incessant mental chatter and live a life of awareness, peace, and focus. Kamal draws upon his roles as a former student of Eastern spiritual practices and a successful Western corporate advisor to present a step-by-step guide to developing mental resilience. Through a progressive program, Kamal provides models and metaphors that help you clear your mind of repetitive, unhelpful thoughts and improve your ability to make decisions. Learn how to reduce stress, maintain clarity in any situation, and discover an abiding calm within. The book includes links to audio downloads that clearly guide readers through with Mental Resilience Training Techniques.
