

Lucifer s Legacy: The Meaning of Asymmetry (Paperback)

Filesize: 3.06 MB

Reviews

It is one of the most popular pdfs. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.
(Dr. Alexa Rogahn)

LUCIFER S LEGACY: THE MEANING OF ASYMMETRY (PAPERBACK)

Dover Publications Inc., United States, 2014. Paperback. Condition: New. Revised. Language: English . Brand New Book. This is Frank Close s masterpiece -- his best book, and one of the very best introductions to physics for the layperson. Close is a master expositor. -- The (London) Sunday Times Close s writing is beguiling, mingling personal and historical anecdote with carefully measured doses of exposition in such a way as to guide the reader painlessly into rather deep intellectual waters. -- Nature Life, intrinsically related to asymmetries, is the theme of this book, and Close offers us an absorbing and scientifically correct account of symmetry and its deep implications. -- CERN Courier This thought-provoking work by a physicist and popular science writer explores the origins of asymmetry from the molecular level to that of the universe at large. Frank Close takes readers on a tour of asymmetry that ranges from the development of human embryos to the mysterious Higgs boson, or God particle, and ongoing research at Switzerland s CERN laboratory.
