

Wandering Star (Paperback)

Filesize: 4.12 MB

Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Michael Spinka)

WANDERING STAR (PAPERBACK)

Dover Publications Inc., United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Wandering Star is a beautiful story, written years before its time. Space epics were not in vogue when Teri Wood wrote and drew this story. She didn't do it for fame, or money, she did it for love. And, she crafted her story without the influence of today's trendy tropes. That's the perfect combination for timeless fiction. Since its completion, Wandering Star has sat squarely in the company of the most beloved works of fiction, waiting for its time. Thanks to this omnibus, the time is now. -- Terry Moore Simply one of the best sci-fi comics ever written. -- Overstreet's Fan Magazine This much-praised space drama follows the far-flung adventures of Casandra, daughter of the President of the United Nations of Earth and the first terran accepted into the Galactic Academy. Casandra discovers to her woe that Earth isn't the most popular of planets and joins the outcasts working on Wandering Star, the Galactic Alliance's prototypical spaceship. When the Bono Kiro, the Alliance's longtime enemy, makes a sudden reappearance, Casandra and her misfit crew just might turn out to be the galaxy's last hope. Sure to delight the legions of fans of the series, this beautiful hardcover edition collects all 21 of the original comics for the first time. [Wood's] science-fiction series shows her clear vision of story and character -- and excellent ability to delineate both. -- Comics Buyers Guide Good science fiction turns on a compelling what if . In this case, it's What if the Earth wasn't the center of the civilized universe? -- Comics Worth Reading No one should be allowed to write a first book this good. A...
