Pinnacle, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Over the course of his career, New York Times bestselling novelist Chris Bohjalian has taken readers on a spectacular array of journeys. *Midwives* brought us to an isolated Vermont farmhouse on an icy winter's night and a home birth gone tragically wrong. *The Double Bind* perfectly conjured the Roaring Twenties on Long Island-and a young social worker's descent into madness. And *Skeletons at the Feast* chronicled the last six months of World War Two in Poland and Germany with nail-biting authenticity. As *The Washington Post Book World* has noted, Bohjalian writes "the sorts of books people stay awake all night to finish." In his fifteenth book, *The Sandcastle Girls*, he brings us on a very different kind of journey. This spellbinding tale travels between Aleppo, Syria, in 1915 and Bronxville, New York, in 2012-a sweeping historical love story steeped in the author's Armenian heritage, making it his most personal novel to date. When Elizabeth Endicott arrives in Syria, she has a diploma from Mount Holyoke College, a crash course in nursing, and only the most basic grasp of the Armenian language. The First World War is spreading across Europe, and she has volunteered on behalf of the Boston-based Friends of Armenia to deliver food and medical aid to refugees of the Armenian genocide. There, Elizabeth becomes friendly with Armen, a young Armenian engineer who has already lost his wife and infant daughter. When Armen leaves Aleppo to join the British Army in Egypt, he begins to write Elizabeth letters, and comes to realize that he has fallen in love with the wealthy, young American woman who is so different from the wife he lost. Flash forward to the present, where we meet Laura Petrosian,...
