PARSIFAL, THE FINDING OF CHRIST THROUGH ART: OR, RICHARD WAGNER AS THEOLOGIAN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Rogelio De Egusquiza (illustrator). Language: English . Brand New Book ***** Print on Demand *****. From the PREFACE. The main text of the present work is substantially identical with a lecture entitled The Finding of Christ through Art; or, Richard Wagner as Theologian, delivered before the Lecture Chapter of the Guild of All Souls Church (Episcopal), New York City, Sunday afternoon, May 19, 1889, by invitation of the Guild, through the Rev. R. Heber Newton, D.D., rector of the parish. As the time at the lecturer s command upon such an occasion would not admit of an exhaustive presentation of the evolution and final outcome of Wagner s thoughts upon religion during a period of forty years, the matter chosen and the form of the lecture were determined by the circumstances of the occasion, including the time and place of its delivery and the audience which was likely to assemble to hear it. In preparing it for publication, the determining circumstances connected with the occasion of its first public reading lose their importance, and it becomes a duty to extend its dimensions and add to its material in ways which a regard to the larger circle of the reading community would naturally suggest. In the unabridged edition of this lecture, the additional material is presented in the form of notes and appendices. Wagner s position in theological speculation may be compared to a Continental water-shed; for the more clearly we understand his position, so much the clearer and more far-reaching is our understanding of the course and destiny of the currents of thought which flow in various directions from that commanding height. No study offers richer rewards to the cautious and clear-headed explorer than that of the various streams from...
