Theonlinestorefront, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Self perception is a complex thing! It s difficult to physically see ourselves as others see us, don t you think? We re just as blind when it comes to placing value on our talents. The fact that others will pay for knowledge and experience we possess is often hard to fathom. Remember this though: Everyone can t know everything! You may have knowledge or experience doing something someone else would like to learn. We tend to under value our own talents and experiences believing that if it s easy, or we already know it, it s somehow not worth very much. That just is not true! Countless numbers of people are willing to pay for your expertise and you deserve to be paid for what you know that others don t know. Within the pages of this book find the 10 easy steps to become the expert of your talent and make cash! Here s What You Will Discover Inside The Find The Talent Within You and Sell it! How to find the most direct route and path of least resistance for your success How you can become a thought generator and thought leader drawing from your own experiences How to find your story, and emotionally charge it to trump all other marketing pieces How to immediately elevate yourself to respected thought leader status in your area of experience The 5 steps to take to be perceived as an expert in your field of experience Use this almost forgotten strategy to become a stellar expert Learn the copy-writing skill of gamification to attract buyers to your product like a magnet How to leverage the traditional marketing funnel into engagement for today...
