RAILROADING ON THE ILLINOIS CENTRAL (PAPERBACK)

Xlibris Corporation, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I started this book about two years before I decided to retire. My regular job at that time was the daylight Geismar road switcher. A nice young man was my student engineer and I taught him many things to help him become a very good locomotive engineer. He was very appreciative and he loved the thought of becoming an engineer. Because my young student was rapidly becoming better with each passing day, I wasn't working very hard at Geismar. Therefore, I was doing a lot of work on my book at home each day. In spite of all these facts, I wondered if I would ever get my book published. The more I thought about it all, I kept getting frustrated, discouraged, and those feelings prompted me to place my book on the top shelf of my bedroom armoire. My book stayed there for a long time. Then one day, after a lot of years of enjoying being a man of leisure, I started thinking - perhaps I should start on my book again. Even after I began writing again, I had many times that I would get discouraged, like most would-be authors. Then, my youngest son Philip introduced me to a very gracious, very sweet lady who said that she was going to help me. About the time I had just about finished my book, I took it to her lovely home so she could read it. The next time we saw this sweet lady, she informed Philip and me that she had edited every page and there was to be no charge! I was overwhelmed! Both Philip and I really appreciate all the very helpful things she has done...
