CAPTAIN TOMAHAWK AND THE SKY-LION (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A story that is kryptonite to despair, told so whimsically well that one actually dares to believe it. Phil Long, Author and Founder of Sacrificial Poet Project Captain Tomahawk does not disappoint. This was the most fun I've had reading in years. I found myself wanting the story to go on and on. Neil Downey, Senior Editor, CruPress Author of The Late Awakening When young, famous jungle adventurer, Captain Anna Tomahawk, gets shot down over a desert, she finds herself trapped in a country of steampunk animals and at the start of a dangerous human-animal rebellion. But when neither side of the conflict believe her wild stories of life beyond the desert's edge, Captain Anna must decide where to place her allegiance-a tricky thing to do for a heroine whose big personality is only matched by her heart. Now, from the middle of a desert where hope has dried up, the exuberant and self-proclaimed greatest pilot there ever was must find a way to fix her airship, save her new friends, and prove that even a little hope can overcome the longest of odds.
