Because she didn't receive guidance from her father, the elder gods show mercy on the young goddess by stripping her of her powers and imprisoning her on an uncharted island in the South Pacific. Osiris and Queen Isis reunite with his long-lost child to begin the difficult process of establishing a familial relationship. Hoping to guide Isis towards the greater destiny she's supposed to fulfill, her parents begin teaching her the ways of the gods. However, Seth's herald E steem lurks in the shadows offering the young goddess freedom for a price. Caught in the middle of a never-ending war between the gods, Isis must choose to either return to the troubled world she knows all too well, or take a journey down an unknown path where faith is her only guide.
