Dover Publications Inc., United States, 1987. Kit. Book Condition: New. 272 x 203 mm. Language: English . Brand New Book. In this volume, noted artist and stained glass expert Ed Sibbett, Jr., has designed a handsome collection of alphabet and number patterns specifically for work in stained glass. In 61 pages of eminently usable patterns, Sibbett has rendered the letters of the alphabet in seven different fonts, six accompanied by the numerals 0 through 9. Styles range from a romantic Gothic to a bold, block-like modern and include examples of Art Nouveau, Art Deco, and abstract geometric lettering. Stained glass workers can apply these designs to window panels, mirrors, light catchers, lampshades, mobiles, and many other objects. Craft enthusiasts will want to use them to add eye-catching initials, monograms, words, dates, or phrases to a wide variety of projects. Decorative Alphabets Stained Glass Pattern Book offers stained glass workers and craft enthusiasts a versatile treasury of inexpensive alphabet and numeral motifs that will add flavor to almost any project.
