This part, which is only a small portion of the entire history planned by the author, fills a ponderous folio volume, and narrates the story of mankind from the creation of Adam to the death of Alexander the Great. Raleigh never completed the work, and it is probably well that he wrote no more, for the style of the narrative is not such as would be very interesting to readers; and the story is so interlarded with tedious disquisitions on all manner of theological and philosophical questions that its perusal would be, to most persons, an irksome task. The following short extract from his account of the creation of Adam will illustrate the character of these digressions:; The Fall of Adam. What means...
