Lulu.com, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The longing in the hearts of many people is for human acceptance. Millions of people wander around with a low self-worth, intimidation, and insecurity. Their lives have become a shadow of themselves; they feel they are not good enough. Many are putting on the facade of false humility because they fear the rejection and disapproval of man. Many people don t even know who they are anymore. Many of such captives are serving under intimidating leadership, as a result they have lost their voice, they have been stripped of their coat of many color. They are like the story of a man who went to a cemetery and saw three graves. On the first grave was marked: the fear of man. On the second grave was written: men pleaser. And on the third grave it was boldly written in red: human approval. He asked, what does this mean. And the voice behind him said, These men died never fulfilling their destinies. They lived for what other men will say about them.
