Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Operating Expenses in the Wholesale Grocery Business in 1920, Vol. 3 Complete statements have been received annually for the last five years from forty-three firms. A comparison of the reports from these wholesalers showed that in 1916 the common figure for total expense was 10 of net sales; in 1920 it was 9 which is less than in any of the other years. This probably reflects the unusual efforts that were made to reduce expenses during the depression of 1920. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
