This is the story of the awakening of Homayoun Amin. As you read this book, you may well find that this is the time for your own awakening. If it could happen for Homayoun, it can happen for you. Homayoun was a man on the brink of a catastrophic life decision: about to plunge into the seedy underworld of organized crime. Just as he was poised to make this leap, sitting in a smoky stairwell in a noisy nightclub, a miraculous thing happened. Homayoun was stopped in his tracks by the intervention of an almighty force that cannot easily be described in words. Homayoun calls it Life, but some might call it God. Share Homayoun's journey by reading all about it, and learn the powerful lessons that Life has generously shared with him. Homayoun has evolved from a gangster into an enlightened man and a healer. In this book, he shares with you how to connect with Life itself through meditation. Learn how to embark on your own spiritual journey, and potentially open your own third eye and be enlightened and transformed, as he was. Our life on this earth of ours is in fact a spiritual journey, and Homayoun's experience will provide a road map to help you travel along it wisely, so that you can actually achieve the true purpose of life. What is the true purpose of life? It's hard to put it into words, but Homayoun does an excellent job of it in this book. If you are searching for meaning in your life,...
