

## Economic Principles of Law (Paperback)

By Cento G. Veljanovski

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Economic Principles of Law, first published in 2007, applies economics to the doctrines, rules and remedies of the common law. In plain English and using non-technical analysis, it offers an introduction and exposition of the economic approach to law - one of the most exciting and vibrant fields of legal scholarship and applied economics. Beginning with a brief history of the field, it sets out the basic economic concepts useful to lawyers, and applies these to assess the core areas of the common law - property, contract, tort and crime - with particular emphasis on their doctrinal structure and remedies. This is done using leading cases drawn from the birthplace of the common law (England Wales) and other common law jurisdictions. The book serves as a primer to the wider use of economics which has become increasingly important for law students, lawyers, legislators, regulators and those concerned with our legal system generally.
