DEPARTMENT OF STATE BULLETIN, VOL. 87: APRIL-JUNE, 1987 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Department of State Bulletin, Vol. 87: April-June, 1987 My own belief is that, having long since passed from the agricultural age although we still produce more than enough food to feed ourselves - we in this country have left the industrial age, and we re in a new era. No longer, if somebody asks you, What is the symbol of America s economy? - well, maybe once you would have said the blast furnace and the assembly line. You wouldn t say that today, would you? It s different. This new information age has the potential to be our age - a period which plays to the great strengths of the West. The productivity and competitiveness of a nation will be far more dependent on how freely knowledge can be used and shared. And unlike oil or mineral wealth, knowledge is a resource that does not diminish but, rather, increases with its use. In this sort of environment, open societies such as our own will thrive; closed societies will fall behind. What is more, this lesson - that freedom and openness are the wellspring of technological creativity and economic dynamism - is increasingly well understood throughout the world. Recent events in the Philippines have once again demonstrated the power of the democratic idea. Through out Latin America, we have seen a remarkable resurgence of democratic governments. Contrary to predictions of just a few years ago, the percentage of Latin America s population living under freely elected governments has grown from 30 in 1979 to more than 90 today. In witnessing these events, we cannot be indifferent to just how positive and important a role the United States can play...
