Glad you re back. Believe me, you won t regret it. if you think that last adventure was a thriller, then this one will have you right on the edge of your seat. This time, my giant brother Fafner, and the Morozon Princess, Renata, and I went to Dragon Rock, a place where all the people (who have white hair and pale skin) live in an underground city to escape a terrifying dragon called Ember. I won t tell you any more because you are just about to read the whole story, but I will say that if you like stories full of magic, dragons, fighting, excitement, one-eyed old men, cheeky young princesses and, of course, giants then you have definitely come to the right place.
