By Adam Goldsmith

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 160 pages. Dimensions: 11.0in. x 8.5in. x 0.4in. For the first time ever an English translation of the very rare 1580 manuscript of The Thesaurus Thesaurorum or the Treasures of Treasures of the Brotherhood of the Golden Rosy-Cross has been brought to light. Never before has such a collection of some of the most secretive processes in alchemy been available to the general public. The theories and processes detailed in this book were highly secretive, and only available to the 77 members of the 8th degree Magister grade of the Golden RC fraternity. This order included certain kings, leaders of state, scientists, philosophers, and other individuals of high stature. This book is composed of four sections. The first is dedicated to the rules and guidelines of the Brotherhood of the Golden RC. The second is dedicated to the various processes designed to produce the Philosophers Stone. The third is dedicated to the magick of alchemy, and other theurgical operations an alchemistmage can utilize to produce the illustrious Stone of the Wise. The fourth is dedicated to the various alchemical, spagyric, archemical, and chemical operations used to produce a...
