

Pharmacologia: Being an Extended Inquiry Into the Operations of Medicinal Bodies, Upon Which Are Founded the Theory and Art of Prescribing (Classic Reprint) (Paperback)

By John Ayrton Paris

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Pharmacologia: Being an Extended Inquiry Into the Operations of Medicinal Bodies, Upon Which Are Founded the Theory and Art of Prescribing When this work first appeared, in the year 1812, the public were in possession of several Pharmaceutical Epitomes, Compendiums, and Vade-mecums, Of creditable pretensions, compiled with the avowed Objects Of directing the practice of the junior, and of refreshing the memory of the more advanced practitioner. They furnished numerous prescriptions, and gave general directions with regard to the doses and effects of particular medicines; and they were thus well enough adapted to relieve an occasional embarrassment, but they did not even attempt to point out the principles upon which a medicinal formula should be constructed, much less did they explain the part which each ingredient might be supposed to perform in its general arrangement. There were, moreover, several standard works on Materia Medica, and approved systems Of Pharmaceutical Chemistry; each of which imparted all the information which the science of the day could afford, with respect to the natural history, sensible qualities, chemical composition, and medicinal...
