Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

CONCORDE (HARDBACK)

Bloomsbury Publishing PLC, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. From her first commercial flight in 1976, and throughout 27 years of service, Concorde was hailed as a technological wonder. The only passenger airliner capable of maintaining speeds in excess of Mach 2 for more than two hours at a time, she became one of the most iconic aircraft ever built. Drawing on a wealth of research as well as his own first-hand experience, former Concorde pilot Christopher Orlebar explores the rich history that forged an aviation legend, and examines the many challenges faced by her designers in their pursuit of supersonic commercial passenger travel. Featuring stunning photography of Concorde, from design and development to her retirement in 2003, this book tells the story of one of the greatest engineering and technological feats of modern history.
