ABOUT THE BOOK: From Chaos to Freedom, The Diary of Shay Mystic is the life story of a confused young girl with very big dreams to be a media personality and entrepreneur. She went through some of the most heartrending adversities as she was rooted from a society/culture where she could not express herself. This issue led to a major identity crisis in her life which led her to go out and look for love in all the wrong places. She literally went from chaos to Freedom as the title suggests. She went through the stages of her innocence being taken away, various addictions, stealing, lesbianism, trying to get into high societies (just to name a few) and is now committed to fulfilling her purpose in life which is thriving to inspire others through her artistic pieces, actions and her story. Proceeding from the latter, she managed to be resilient enough to share what she has learned from God along the way. She elaborates on the power of words, thought and intention. The main ingredient for motivation and the guide to successful change are also mediated. The book is concluded by astounding words of encouragement. This item ships from La Vergne, TN. Paperback.
