It is one of the best publications. It is really very intriguing through reading through periods of time. You will not feel monotony at any time of your own time (that's what catalogs are for relating to in the event you request me).

Brand New Book ***** Print on Demand *****.(From the back cover) A million little gods. that s all they were - scattered here and there along the countryside. A million little souls pebbling the landscape. nothing more - as the sun cast their hollow reflections in shadows on the earth. Welcome to Powhattan - a small, sleepy town located in the center of the Clearwater Valley, and cradled within the heart of the Hilltop Mountain Range. It is home to Clearwater College (Go Mudcats!), the Powhattan Institute of Mental Health and Awareness (PIMHA). and the Travelers; a group of individuals hellbent on altering the very fabric of time itself - manipulating it for their own purposes - and in so doing, giving themselves the freedom to laugh in the face of God.
