

The Encyclopedia of Trouble and Spaciousness (Paperback)

Filesize: 6.27 MB

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.
(Mr. Grant Stanton PhD)

THE ENCYCLOPEDIA OF TROUBLE AND SPACIOUSNESS (PAPERBACK)

Trinity University Press,U.S., United States, 2015. Paperback. Condition: New. First Trade Paper Edition. Language: English . Brand New Book. The incomparable Rebecca Solnit, author of more than a dozen acclaimed, prizewinning books of nonfiction including *Men Explain Things To Me*, brings the same dazzling writing to the essays in *The Encyclopedia of Trouble and Spaciousness*; hailed by the *Los Angeles Times* as globally wide-ranging and topically urgent and the *Boston Globe* as luminous and precise. . As the title suggests, the territory of Solnit s concerns is vast, and in her signature alchemical style she combines commentary on history, justice, war and peace, and explorations of place, art, and community, all while writing with the lyricism of a poet to achieve incandescence and wisdom. Gathered here are celebrated iconic essays along with little-known pieces that create a powerful survey of the world we live in, from the jungles of the Zapatistas in Mexico to the splendors of the Arctic. This rich collection tours places as diverse as Haiti and Iceland; movements like Occupy Wall Street and the Arab Spring; an original take on the question of who did Henry David Thoreau s laundry; and a searching look at what the hatred of country music really means. Solnit moves nimbly from Orwell to Elvis, to contemporary urban gardening to 1970s California macrame and punk rock, and on to searing questions about the environment, freedom, family, class, work, and friendship. It s no wonder she s been compared in *Bookforum* to Susan Sontag and Annie Dillard and in the *San Francisco Chronicle* to Joan Didion. *The Encyclopedia of Trouble and Spaciousness* proves Rebecca Solnit worthy of the accolades and honors she s received. Rarely can a reader find such penetrating critiques of our time and its failures leavened with such generous heapings...
