THE LEARNERS: THE BOOK AFTER THE CHEESE MONKEYS (PAPERBACK)**DOWNLOAD**

HarperCollins Publishers Inc, United States, 2009. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Fresh out of college in the summer of 1961, Happy lands his first job as a graphic designer (okay, art assistant) at a small Connecticut advertising agency populated by a cast of endearing eccentrics. Life for Happy seems to be -- well, happy. But when he s assigned to design a newspaper ad recruiting participants for an experiment in the Yale Psychology Department, Happy can t resist responding to the ad himself. Little does he know that the experience will devastate him, forcing a reexamination of his past, his soul, and the nature of human cruelty -- chiefly, his own. Written in sharp, witty prose and peppered with absorbing ruminations on graphic design, The Learners again shows that Chip Kidd s writing is every bit as original, stunning, and memorable as his celebrated book jackets.
